I Am

“In the beginning was the Word, and the Word was with God, and the Word was God. The same was in the beginning with God. All things were made by HIM; and without HIM was not any thing made that was made. In HIM was life; and the life was the light of men. And the light shineth in darkness; and the darkness comprehended it not.”

(Felder, 1993, John 1v1)

Felder, C. H. (1993). The Original African Heritage Study Bible (Tenth ed.). Nashville, Tennessee: The James C. Winston Publishing Company.

It is now time for this word to be written. Throughout my life I've been wondering about the path my life has taken. Why am I where I am? Today that has evolved to I Am.

Our journey started long before we became conscious of The Journey, which continues forever living...

My life's journey has positioned me in the 'cross-road' of life. With the knowledge gained along the way, it is now time to coalesce my life's 'bits' and 'bites'. I say 'bits' and 'bites' because in the stream of eternity, the data of my life is just one miniscule portion of time, but in the context of life, I exist. The context of existing is equal yesterday, today, and tomorrow. Although they may seem separate, they are part of the same stream of consciousness. Knowledge we receive as a result of our connection to consciousness is made known not by accident, but by design. Who's design? The design inscribed in our mind with truth, knowledge and higherstanding.

Justice, the Light illuminating the Laws of the Universe.

Emperor and Empress, King and Queen, Brethren and Sistren, Brothers and Sisters,

As I Am blessed to receive, I wish to share blessings with you.

The LAW is Our Shepherd!

Father in Heaven, Almighty Creator of the heaven and the earth, the One with Wisdom Supreme, Knowledge Unlimited, Higherstanding to Time Indefinite and Ever Loving Mercy, we Itinuously praise You, for the life You have granted and thank You for allowing Your lamb to remain protected in Your pasture. We shall praise You all the days of our life to time indefinite. You are bringing us, each onto You. Father, words cannot describe Your Loving Mercy, who has granted us ever increasing Love for You.

I bear witness that our Saviour, Christ, is Your Seed, for we all have life from the light of Your love that shines over those following in His righteous way. The light of His image reflects Your very essence, which strengthens those who bear witness to Your Son. May You grant through Your Son, King of kings, Lord of lords, Conquering Lion from the tribe of Judah, wisdom, knowledge and higherstanding, as Your Light to time indefinite, shines increasingly brighter for those who hear this witness.

Let those with hearts hear. Brothers and Sisters, live in Love and Harmony, the dark the light, the old the young, the men the women, for we are all blessed by the Love of Almighty GOD, who has not forsaken any of His Children and will grant Everliving Love to those who hear these words.

The word that comes to life in this work is dedicated to my brothers and sisters guided by Almighty GOD. Bless those who “share” wisdom, knowledge and higherstanding, about You, to those, You have Chosen.

I give special acknowledgement to the many teachers, women and men, who have and continue to deliver GOD's message of Love, Peace and Unity, in the many languages of His Children.

Blessed are our Mothers and Fathers that allow us to see the light of this world and for that we thank You, and ask for their continued blessings. Our Children rely on us to teach them The Way and with the guidance, of our Mothers and Fathers, we learn The Way. We honor thy Mother and Father, our first teachers, as we receive the torchlight of life and for that we ask in the name of Your blessed servant David, that JAH guide all Your Children in loving-kindness to time indefinite.

Blessed are the women that accompany us in living in the light of this world and for that we thank You and ask for their continued guidance. Our women are our companions, Wives, Mothers, Sisters and Daughters, oh what a precious life-bearing creation! Bless them with infinite Love and Beauty, like light is to darkness, that will allow them to painlessly bear Your Children who will know You as, Creator, Maker, Owner, GOD.

Blessed are those seeking truth, as desired by You, and for that we thank You and ask for continued guidance. We ask You to shed ever increasing light upon our righteous work that will make those with hearts, hear; those with sight, see; those with words, write; those with sound, speak; those with music, play; those, with voices, sing; and those with love, make; in the spirit of the Most High.

Our life, as Creatures of the Creator, is ONE. To love our brothers and sisters is His will. Judge not.

As these words are revealed to those that hear, I ask You, Almighty Father, bless each with wisdom, knowledge and higherstanding to time eternal. I humbly request that You open The Way for all Your Children to know You, for only You have the power to grant such a request. I ask that this request be granted according to Your will. We shall praise You all the days in loving kindness to time indefinite.

The thoughts and actions come through I and passed to you, from Our GOD. I ask GOD to preside over the word being delivered and bless it with Wisdom so that it touches each of us with a ray of light, shining abundantly, lighting our path in the coming world.

It is my intention to "Love", in some way, so that knowledge and higherstanding is known to each.

The word being delivered is not based on man-made education, but on truth. No matter how many degrees, levels of degrees, and area of degrees, the knowledge of GOD and Truth transcends all.

Bless the teachers who know and live The Way, leaders who believe The Way, and all those sharing The Way, to You.

As truth is being delivered according to Your will, blessed be those who listen for Your Way. That is all that is being requested.

As the One that knows all things and grants requests to those who seek the righteousness of Your Kingdom, we request of You, Wisdom, Knowledge and Higherstanding, as we praise the light of Your words and uncover the truth upon these pages, as we watch our blessings rise. I request each of Your Children share in Your blessings cultivating the high ground as Thy will be done.

Ethiopia, the Mother Land of earth, the Garden of Eden, which flows the Water of Life and nourishes the Tree of Life, that feed Your Children, from the beginning to time eternal. Ethiopia for Ethiopians at home and abroad.

Our children are being limited by the education provided within the so-called school system. Today's society dictates what education is needed for its' survival. It is not intended for the awakening of our Children. We must make and take every opportunity to educate ourselves, our children, our families, and our nation about GOD. The truth of GOD will educate us about agriculture, religion, science, math, and all other disciplines from whom these are born. Brothers and Sisters let's not waste our time, let's synchronize our minds. We Teach to Reach You.

Capitalism, Communism, Socialism, Dictatorships, etc. are forms of leadership, called government, that try in some form or fashion to mimic civilizations created many years past. Leaders of the day, women and men, young and old, dark and light, are selected based on their mental, physical and spiritual development. Leaders that reach the highest levels of development become teachers responsible for nurturing civilization. Due to scholarly work being explored by our brothers and sisters, we are able to capture the names and achievements of some of leaders and teachers: Alice Walker, Ivan Van Sertima, Louis Farrakhan, Jessed Jackson, Bob Marley, Martin Luther King, Jr., Malcolm X, Cheikh Anta Diop, Elijah Muhammad, W.E.B DuBois, Marcus Mosiah Garvey, Sojourner Truth, Harriet Tubman, Fredrick Douglas, Queen Nzinga, King Mutota, Emperor Menelik I, King Solomon, King David, Noah, Adam, Emperor Haile Selassie I, and countless others delivered to us by our Creator.

GOD will never be satisfied until we reach our destiny. If that's not our priority then it's not acceptable. This is the only way to cure the ills of today. We have to seriously review what we think our purpose is on this physical plane called earth. We have the privilege to lead in the steps of our ancestors, to act and set the direction for the congregation coming in His name.

The Tree Of Life

<i>Leaves</i>	→	<i>Future Journey (Travel with GOD)</i>
<i>Branches</i>	→	<i>Current Journey (Escape from bondage)</i>
<i>Trunk</i>	→	<i>Past Journey (Walk in righteousness)</i>
<i>Roots</i>	→	<i>Ancient Journey (Birth civilization)</i>
<i>Earth</i>	→	<i>In the Beginning (Seed manifested)</i>

It is our responsibility to take care of our women, including mother earth, and to sow and reap life, from which we come; thereby we keep the "Tree of Life" fruitful. By knowing our history, unity will follow. By hearing truth, we learn The Way and grow free. By living according to Your will, we receive Your blessings from our requests. By nourishing Your Children physically, mentally and spiritually, You dwell amongst us.

The contributions that we now make and those of our ancestors have blessed us with the opportunity to complete our journey for truth. "We know the truth and the truth has set us free."

GOD manifests Wisdom and Higherstanding through knowledge of Self, knowledge of Self manifests our History, History manifests our Learning, our Learning manifests our Vision, our Vision manifests our Dreams, our Dreams manifests our Destiny, and our Destiny manifests GOD. I am the Alpha and the Omega, the first and the last, the beginning and the ending.

As we now approach our place in the light of the Sun, we must diligently pursue the goals of our mothers and fathers who give life for our survival. We now ascend to the mountain top by transcending the desires for materialistic pleasures for the pursuit of Divine existence in the land of our Father.

The concept of eternal life was first discovered by ancient civilizations many years past. For the many millions not the privilege had, let us resurrect them before Your eyes. With mercy and forgiveness of sin, for which Your Son lived his life, each of Your Children breaths life with You. Life, revitalizes Your spirit in us, and allows the light of Your Kingdom to shepherd us upon the earth, in abundance, like no days before this, as we walk in peace and truth.

We are rich and gaining in unity as we are resurrected by Your Spirit.

We love You and are willing to do what it takes to serve You!

Love is what we make in the eyes of GOD!

I humbly ask that you bless me, along with my

Brothers and Sisters and all we touch from time to time:

Brothers and Sisters who gave their life in passage;

Brothers and Sister who taught, teach, and will teach, like those before this day;

Brothers and Sisters in man-made chambers of confinement;

Children coming in Your name;

and the many others whose names belong upon these pages...

As these words are according to Your will Almighty Father, I ask that You let them be experienced by each of Your Children as we become a breath in the Book of Life.

Listen!! Hear these words! Some of us continue to be shadowed in darkness by believing that without You we have life. We have not life until we know You. Diversion from You, caused by our oppressor's continued diversionary tactics, is removed. Man-made destruction produced by physical bondage, false education, synthetic substances, and technological advancement, for the purpose of economic control, no longer chains us or our mind. Around the world, we are no longer fooled by the concepts of capitalism, communism, socialism, and others. Those developing and distributing synthetic substances, to chain our body with the intention for our mind to follow, are being eliminated. The greed for materialistic wealth by creating technological advancements that deplete our earthly resources, create tremendous waste and have no practical purpose, is seen clearly now. Financial greed, cause controllers of the "wealth", to try and dictate to the masses what we need and want. Those few "controllers" determined when and how man-made destruction, should take place, and who should reap the profits. However, they did not know the power of the spirit of Almighty GOD! GOD's Divine plan does not condone the under-handed methods of exploitation used to deceive His Children, therefore we are now seeing GOD's plan coming to light to remove the darkness that has been cast over us for thousands of years. Divine leadership cannot be controlled by man operating outside the Divine plan. The question I ask is "What is the ultimate goal that we wish to achieve?" I humbly request Your mercy to grant Peace, Equality, Justice, and Freedom for each and everyone of us, Your Children. Our love is One, as requested by us, to You.

We look back at what is referred to as “history” and see how the world is changing as Queen Nzinga, Marcus Mosiah Garvey, W.E.B. DuBois, Cheikh Anta Diop, Martin Luther King, Jr., Elijah, Malcolm X, Robert Nesta Marley, Nelson Mandela, and many other have done according to Your will; I request that you bless them for opening a way for us to see. Let’s create our “Future” for we have much to gain as we rise to the top together!

We know that we cannot serve two masters, for there is no hiding from the Father of Creation. GOD guides us to the truth of what we must think, say, live and be. Therefore we must unite by refocusing our priorities to make the truth of GOD our number One priority. Anything less is not acceptable. With this as our priority, we will take the necessary steps to assure that His lamb receive Wisdom, Knowledge, Higherstanding and Guidance during His judgment. This begins with us as examples, then our family and nation benefit simultaneously. We limit You not.

JAHRASTAFARIRASTADEHYAFASTAYHAILESELEASSIEI

There are many rituals that have developed over the millennia that serve no current or future benefit. One of these is referred to as "female Circumcision". An effort is being carried out by Alice Walker and many others to reveal the use of this false ritual on our women. Our women that follow this ritual believe that it is part of our culture and should continue as part of our culture. Please hear this, the most precious creation on the face of the earth are GOD's Children. Therefore, the most precious body, the first that nourishes us, is that of our mother. You must know that no mistake is made when we are designed and delivered to this earth. I ask You to touch each of Your Children and remove any dis-eases, mental, physical or spiritual, so that we can all share in the brilliance of Your Kingdom, in the days hereafter.

In the image of GOD, our reflection comes back to us when embracing His love. GOD, bless David for being divinely obedient in following each of Your commands without question. GOD bless Solomon, son of David, with wisdom and wealth like no other. Blessed One, Christ, the Anointed Son from the tribe of Judah, transcended death giving us life. Bless I.

How joyful it is to make Your Children higherstand

It's our nature to live in righteousness

We are here to teach the Word

Books, TV, songs, movies, magazines, ministers all have words

It is up to us to hear the Word

We have life through the Word

The Word is the 'Truth' that we hear within

Within the Mind, Body, and Soul are the answers

Your Truth has set us free

How joyful it is to make Your Children higherstand!

Your Women

They make us smile inside and out

We thank You, Almighty GOD, for allowing us the pleasure and joy of Your creation

Our Women are beautiful, intelligent, bold and strong.

They had to be, to bear Your fruit!

It is the duty of Your fruit to know You as GOD

As You carry us forth into the Promised Land

Our Women will be our right hand to us

From Your position on High, Bless them with Beauty, like no other

Your Women

<i>I</i>	<i>I</i>
<i>Am</i>	<i>GOD</i>
<i>Love</i>	<i>GOD is Love</i>
<i>with no limit</i>	<i>GOD has no limit</i>
<i>who grants eternal life</i>	<i>GOD grants eternal life</i>

Word Up...

The Word is the Truth and originates from the Head

Our purpose for living is to experience Heaven on earth; Life brings death and death brings Life, Eternal existence with Your Children, as is written.

The unity occurring amongst His Children is the result of His Love from time beginning. His Love is what keeps us together for all the days of our life. We are One. Love Our Brothers and Sisters as we love His Son.

All praises are due to the Son and the Most High, GOD, whom allow us to climb the mountain. The Journey of Life to the top, through righteousness, is filled with light for those who are now being blessed by the Father of Creation, with Wisdom, Knowledge and Higherstanding, in loving kindness foreverliving.

It is not our position to judge, for it is GOD's will to remove dis-eases from all those who hear His words. To the Chosen, that hear His words, is the Promised Land. Truth and Righteousness are inherent as He returns to gather His sheep. Seek ye first the Kingdom of GOD and what you have is more precious than Gold.

When we, the lamb, operate righteous according to GOD's law, the Herd is harmonious and becomes a life force guided by GOD (All for one! One for all!). The Herd represents our body, mind, soul, family, and nation. Rise UP!

When we Love Your congregation, we have in effect strengthened ourselves in knowledge of You because each of us is part of Your congregation, blessed like no other. The responsibility for building the congregation is each or ours. The force is building everyday and cannot be stopped. Hetep, Peace, One Love, As-Salaam-Alaikum. To Your Children who rise on this day; Almighty Father grant us Love Abundant, Peace Eternal, Righteousness to Time Indefinite, for all the days to come, Amen.

We communicate in many "Languages", music-language, sign-language, verbal-language, body-language, written-language, art-language, etc. Your Word gives us spiritual-language, allowing us to communicate as One.

It is not hate for our enemy, but love in our heart for our Sisters and Brothers that is achieving our vision. Channeling our energy in finding ways to revenge our enemy is Self-defeating because this diffuses the energy we require to assist our Sisters and Brothers who are finding The Way. For those who are not sure how to treat those amongst us, remember this; Teach our Sisters and Brothers, as Almighty GOD teaches us, so we lose not one!

These words spake Christ, and lifted up his eyes to heaven, and said, Father, the hour is come; glorify thy Son, that thy Son also may glorify thee: As though hast given him power over all flesh, that he should give eternal life to as many as thou hast given him. And this is life eternal, that they might know thee the only true God, and Christ, whom thou hast sent. I have glorified thee on the earth: I have finished the work which thou gavest me to do. And now, O Father, glorify thou me with thine own self with the glory which I had with thee before the world was.

I have manifested thy name unto the men which thou gavest me out of the world: thine they were, and thou gavest them me; and they have kept thy word. Now they have known that all things whatsoever thou hast given me are of thee. For I have given unto them the words which thou gavest me; and they have received them, and have known surely that I came out from thee, and they have believed that thou didst send me. I pray for them: I pray not for the world, but for them which thou hast given me; for they are thine. And all mine are thine, and thine are mine; and I am glorified in them.

And now I am no more in the world, but these are in the world, and I come to thee, Holy Father, keep through thine own name those whom thou hast given me, that they may be one, as we are. While I was with them in the world, I kept them in thy name: those that thou gavest me I have kept, and none of them is lost, but the son of perdition; that the scripture might be fulfilled. And now come I to thee; and these things I speak in the world, that they might have my joy filled in themselves. I have given them thy word; and the world hath hated them, because they are not of the world, even as I am not of the world.

I pray not that thou shouldst take them out of the world, but that thou shouldst keep them from the evil. They are not of the world, even as I am not of the world. Sanctify them through thy truth: thy word is truth. As thou hast sent me into the world, even so have I also sent them into the world. And for their sakes I sanctify myself, that they also might be sanctified through the truth.

Neither pray I for these alone, but for them also which shall believe on me through their word; that they all may be one; as thou, Father, art in me, and I in thee, that they also may be one in us: that the world may believe that thou hast sent me. And the glory which thou gavest me I have given them; that they may be one, even as we are one: I in them, and thou in me, that they may be made perfect in one; and that the world may know that thou hast sent me, and hast loved them, as thou hast loved me. Father, I will that they also, whom thou hast given me, be with me where I am; that they may behold my glory, which thou hast given me: for thou lovedst me before the foundation of the world.

O righteous Father, the world hath not known thee: but I have known thee, and these have known that thou hast sent me. And I have declared unto them thy name, and will declare it: that the love wherewith thou hast loved me may be in them, and I in them.
